Army Corps Awards \$1.25B in MATOC contracts

PHILADELPHIA (July 19, 2006): The U.S. Army Corps of Engineers Philadelphia District announced today that it has awarded 11 contracts to support the Air Force Air Mobility Command in the amount of \$1.25 billion. These contracts are indefinite delivery/indefinite quantity multiple award task order contracts. All work is to be performed for Department of Defense facilities east of the Mississippi River.

The period of performance is for a base year with four option years.

The competition for the contract was full and open in accordance with the Federal Acquisition Regulation. This process provides for a fair and impartial evaluation of the offerors' proposals. The contractors were selected on the basis of best value to the government and qualifications to perform the work described in the solicitation.

The contractors were selected from five contract categories. Those awarded were as follows:

Unrestricted (Large Business):

Sundt Construction, Inc./Federal Division, Phoenix Arizona
Tetra Tech EC, Inc., Langhorne PA
Hensel Phelps Construction Company

Hubzone Set-Aside

Barlovento, LLC, Dothan, Alabama
J & J Contractors/BBIX JV, Inc., Lowell Massachusetts
KIRA, Inc., Miami Florida

8(a) set-aside (Minority Owned):

Dawson-TtEC, Honolulu, HI
Alutiiq Global Solutions, LLC, Anchorage, AK
Hirani-Conti JV, LLC, Somerset, NJ

Service Disabled Veterans Owned Small Business

Montage, Incorporated, Washington, DC
Homeland Security Construction Corporation, Hyattsville, Maryland
